

# Introduction to Data Science in Python

Nicholas P. Ross

November 2, 2016

## Abstract

Here are my (NPR's) notes on the "Introduction to Data Science in Python" Coursera course from the University of Michigan that I'm taking in November 2016. The URL for that course is <https://www.coursera.org/learn/python-data-analysis/home/welcome>. The URL for these notes is: [https://github.com/d80b2t/Research\\_Notes/tree/master/Python](https://github.com/d80b2t/Research_Notes/tree/master/Python)
